

AirMist36

with LED Light on top 80W

Data Sheet

General Characteristics of Evaporative Cooler, AirMist36 with LED Light on top 80W.

Efficient and durable, this portable evaporative fan is perfect for cooling large spaces both indoors and outdoors. Its rotomolded polyethylene housing ensures resistance and longevity, while the powerful fan with large blades delivers high airflow, ideal for industrial or commercial use. Equipped with a large water tank, it provides effective cooling through evaporation with minimal energy consumption. The built-in control panel and remote allow easy adjustments to airflow and speed. Designed for portability, it includes sturdy wheels for effortless transport. Quiet operation and a streamlined design make it a reliable solution for ventilation and cooling needs.

Product Applications of Evaporative Cooler, AirMist36 with LED Light on top 80W.

This portable evaporative fan is perfect for a wide range of applications. It's ideal for industrial warehouses, factories, workshops, and assembly lines, providing efficient cooling in high-heat environments. In public spaces, it works well in shopping malls, outdoor events, restaurants, cafes, stadiums, and gyms. For residential use, it's great for patios, terraces, and garages. Special applications include greenhouses, construction sites, farms, hangars, large tents, and sports areas. Its versatility and powerful airflow make it the perfect solution for both indoor and outdoor cooling needs.

Warranty of Evaporative Cooler, AirMist36 with LED Light on top 80W.

Manufacturer's Limited Warranty: 1 Years.
