Data Sheet

General Characteristics of Evaporative Cooler, Apex500.

The Apex500 effortlessly cools a vast 500-square-foot space, delivering a strong high-speed breeze up to 55 feet. Complemented by its automatic oscillating louvers, giving it a modern touch.

With the Apex500, experience a new level of comfort and productivity at your fingertips with CoolSync technology and our smartphone app. Achieve maximum cooling without sacrificing space. Our slimmer profile and new front intake allow you to place your cooler against any wall.

The Apex500 features a full digital display with Wi-Fi capability. Control your environment from anywhere. Our high-speed cooler provides a refreshing breeze up to 55 feet away. The fan output directs airflow with digital motors, enabling customized cooling zones with just the touch of a button.

The resigned motor reduces noise to 53 dB, creating a quiet environment while cooling. Ensures smooth operation with water level indicators, automatic shut-off, alerts, and a 13-gallon water tank.

Our rotomolded housings with textured design set durability standards, protecting against adverse conditions and extending the cooler's lifespan. The built-in handle and lightweight housing ensure easy transport with tilt and pull capabilities over any terrain.

The advance Apex system evenly distributes water, ensuring superior coverage and an enhanced cooling experience.

Wireless Communication Technology. Wifi and Bluetooth.

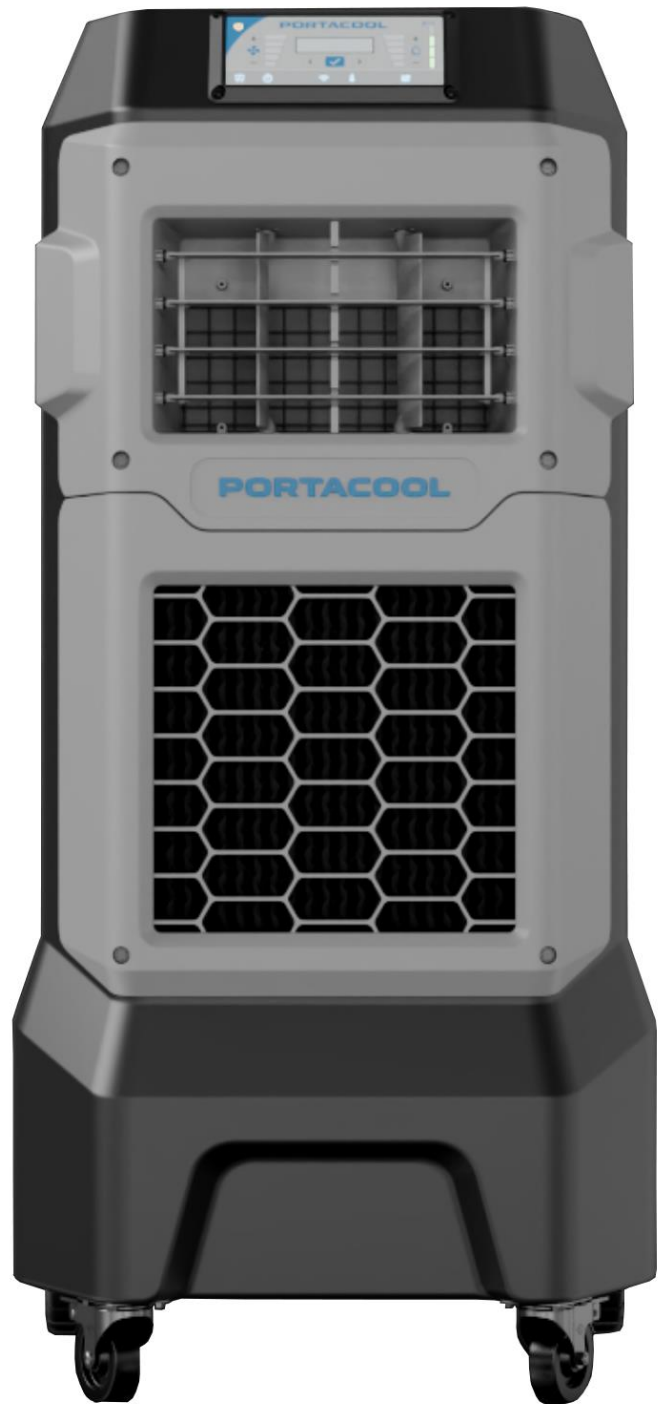

Product Applications of Evaporative Cooler, Apex500.

The Apex500 is ideal for home use, as it can be employed in living rooms, bedrooms, kitchens, common areas, etc.

In office environments, it helps maintain a pleasant temperatura, and in classrooms and common areas of schools, it provides effective cooling. It is also suitable for businesses and restaurants, as it keeps customers and employees comfortable. Additionally, the Apex500 can be utilized in hotels, gyms, factories, warehouses, greenhouses, greenhouses, sports facilities, etc.

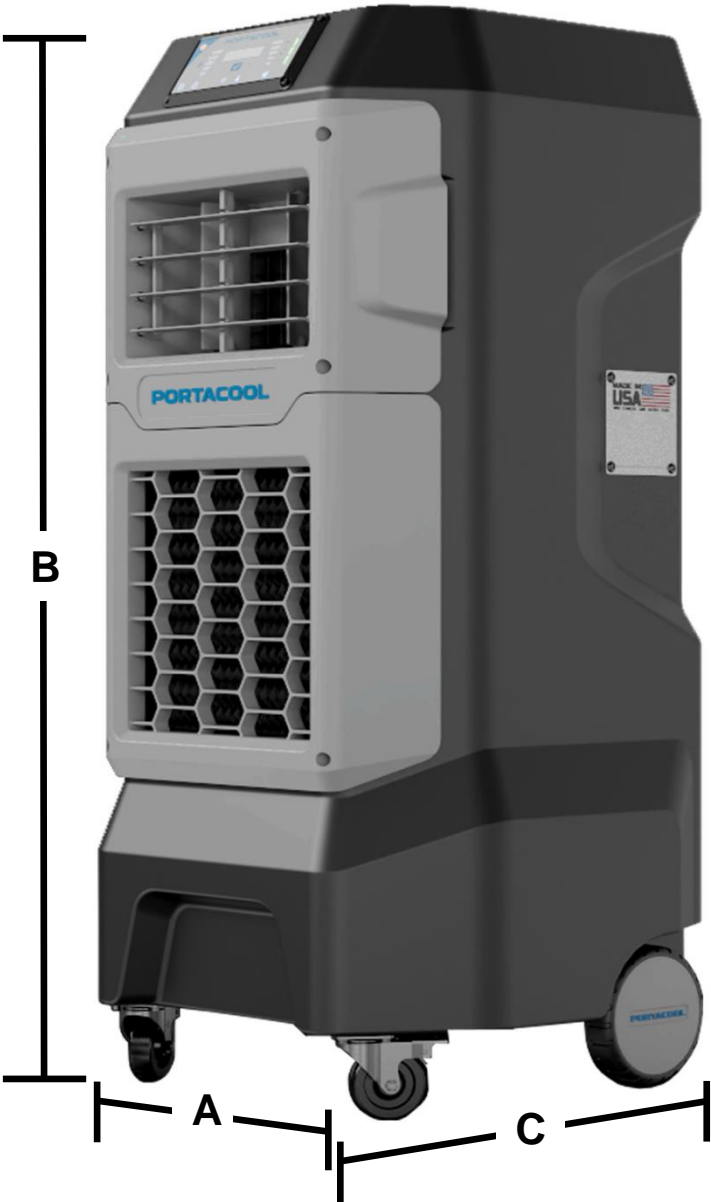

Warranty of Evaporative Cooler, Apex500.

Manufacturer's Warranty: 1-Year
