

**General Characteristics of Copper Solder Fittings CoSoFit**

The VentDepot Copper Solder Fittings CoSoFit are used to connect copper lengths or to build a custom copper fog line.

**Product Applications Copper Solder Fittings CoSoFit**

The VentDepot Copper Solder Fittings CoSoFit are used to connect copper lengths or to build a custom copper fog line.  
 The VentDepot Copper Solder Fittings CoSoFit can be used in misting systems.

**Warranty of Copper Solder Fittings CoSoFit**

Manufacturer's Limited Warranty: 5 Years.

**Specific Characteristics Copper Solder Fittings CoSoFit**
