

General Characteristics: Portacool Jetstream Cooler, PortaCool Jetstream 240 & 250

The Portacool Jetstream 240-250 evaporative coolers are ideal for commercial and open space use. This energy-efficient cooling solution uses less energy than a standard household toaster. Larger drain allows for easy and effective maintenance. Equipped with KUUL Comfort™ evaporative media, the highest-quality evaporative media available and made in the USA exclusively for Portacool products. Liquid level indicator with automatic pump shutoff protects your product and investment.

Product Applications: Portacool Jetstream Cooler, PortaCool Jetstream 240 & 250

The Portacool Jetstream™ 240 provides maximum adaptability for cooling wherever needed. The Jetstream 240 is not only easy to move, it can fit in the tightest of spaces. Liquid level indicator and intuitive control panel make operation a breeze. Step up the cooling game with the Portacool Jetstream™ 250. This mid-range evaporative cooler is perfect for keeping your small spaces cool. User-friendly features include easy-roll casters, cord wrap and streamlined maintenance.

Warranty: Portacool Jetstream Cooler, PortaCool Jetstream 240 & 250

Manufacturer's Limited Warranty: 3 Year. Lifetime warranty on evaporative cooler housing against manufacturing defects and three year warranty on all electrical components.
