

General Characteristics of Reversible Belt Belt Drive Intake/Exhaust Fan

The Triangle Reversible Belt is a belt drive Intake/Exhaust Fan. Used for industrial and commercial use. For indoor use. Finished with a polyester powder-coat protection. Comes in 3 different sizes 30", 36" & 48". Designed with a standard reversible switch, bi-Beltional airfoil blades and reversible motor. Available in single or three phase. Has a standard wall housing.

Product Applications of Reversible Belt Belt Drive Intake/Exhaust Fan

For industrial and commercial use. Used for indoor use.

Warranty of Reversible Belt Belt Drive Intake/Exhaust Fan

Manufacturer's Warranty: 1 year.
