## Spiral Front and Rear Guards

### Data Sheet

#### General Characteristics of SF-SR Series Spiral Front and Rear Guards.

The front and rear spiral guards for TPI Fans are made of strong and durable materials to ensure long life and effective protection. It's spiral design helps improve air circulation around the fan, contributing to more efficient performance. These guards cover both rear parts of the fan, meaning complete protection.

#### Features

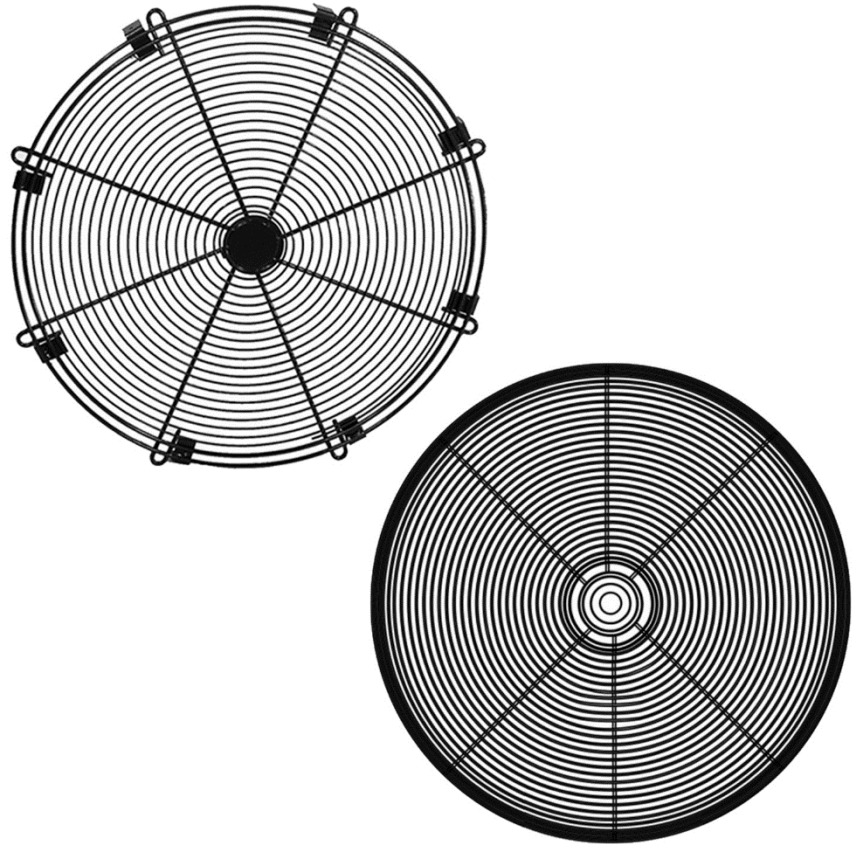

- For EHD models only
- Fits between motor and blade
- Rear guard installed at factory only
- Meets OSHA requirements

#### Product Applications of SF-SR Series Spiral Front and Rear Guards.

Industrial and commercial use for intake and exhaust fans.

#### Warranty of SF-SR Series Spiral Front and Rear Guards.

Manufacturer's Warranty: 1-Year

#### Specific Characteristics of SF-SR Series Spiral Front and Rear Guards.
