

General Characteristics of TH115 Series Low Voltage Programmable Thermostat

The TPI TH115 Series is a low voltage programmable thermostat. Used for both commercial and residential needs. For Indoor use. Designed for heat only thermostat. With the options of 7 day, 4 settings per day. Can be pre-programmed or custom settings. Control accuracy +/-1°F of setpoint temp. Blacklit display and energy star compliant. Temperature Range: 40-86°F

Product Applications of TH115 Series Low Voltage Programmable Thermostat

For residential and commercial environments. Utilized in warehouses, factories, and work areas. Ideal for spot heating of work areas. This is an Indoor Product

Warranty of TH115 Series Low Voltage Programmable Thermostat

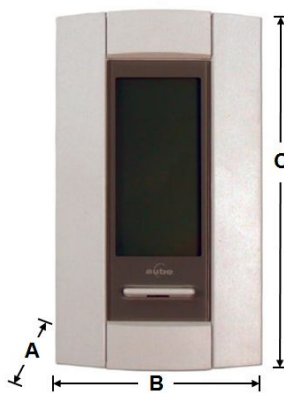

Manufacturer's Limited Warranty: 1 Year.

Specific Characteristics of TH115 Series Low Voltage Programmable Thermostat

Item #	Manufacturing #	Description	Control Accuracy	Temp. Range (°F)	Weight and Dimensions with Packaging	
					Lbs.	L,W,H In.
USTHT-001	TH115-A-024T	Heat Only	+/-1°F	40-86	2	2,4,6

Dimensions (In.) of TH115 Series Low Voltage Programmable Thermostat

Series	Length A	Width B	Height C
USTHT-001	.91"	2.79"	4.89"

Short Description of TH115 Series Low Voltage Programmable Thermostat

Item #	Manufacturing #	Short Description 70 Characters Maximum
		1234567890123456789012345678901234567890123456789012345678901234567890
USTHH-001	T4398A 1021	Heat Only, +/-1°F, Temp Range 40-86 °F.

SEO Table of TH115 Series Low Voltage Programmable Thermostat

Title
TPI TH115 Series Low Voltage Programmable Thermostat.
Meta Description
TPI TH115 Series Low Voltage Programmable Thermostat for Commercial Use, TPI Honeywell T Series Line Voltage Thermostat for Industrial Use, TPI TH115 Series Low Voltage Programmable Thermostat for Indoor Use, TPI TH115 Series Low Voltage Programmable Thermostat for Spot Heating Use.
Meta Key Words
TPI TH115 Series Low Voltage Programmable Thermostat for Commercial Use, TPI Honeywell T Series Line Voltage Thermostat for Industrial Use, TPI TH115 Series Low Voltage Programmable Thermostat for Indoor Use, TPI TH115 Series Low Voltage Programmable Thermostat for Spot Heating Use.
