

# UH Series With Thermostat Data Sheet

## General Characteristics of UH Series With Thermostat Horizontal Fan Forced Unit Heater

**Construction:** heavy gauge welded steel cabinet with powder coated finish and control compartment with a hinged and latched access door, simplifying wiring installation and maintenance.

**Heating Element:** circular copper clad steel sheath element with continuously brazed steel fins formed to match the air delivery pattern of the fan blade.

**Overheat Protection:** all units come equipped with automatic resetting type limit controls to de-energize the heater should an over-temperature situation occur.

**Fan And Motor:** totally enclosed, single phase, permanently lubricated, thermally protected motors with unit bearings on 3 kw - 10 kw models and sleeve bearings on 12.5 kw - 48 kw models - mounted with rubber insulators to minimize vibration and noise. Fan assembly enclosed by a heavy gauge, close spaced, chrome plated wire guard.

**Louver Assembly:** louvers are individually adjustable for directional control of air flow and the entire assembly can be repositioned in the field from down flow to up flow or left / right directional air flow. temperature controls: 20 kw through 48 kw units and all 480v have built in 24 volt transformer for low voltage remote thermostat application. 25 kw through 48 kw models available in 2-stage on special order (consult factory).

**Installation:** unit heaters can be mounted with the motor shaft from horizontal to downward at 45° off horizontal. Pre-drilled holes and installed threaded nuts provided to allow hanging by threaded rods - 1/4" for units up to 15 kw and 5/16" for 20 kw units and larger. Optional wall / ceiling mounting brackets are available for all units.

**Single Pole Unit Mounted Thermostat** is for use with all Horizontal and Vertical Discharge Unit Heaters. Field installed, built-in thermostatic design. Weight 1.60 Lbs.

7 x 5 x 2.25 Inches. 25 amps at 120-277 volt operation. Temperature range of 45-90-110OF

## Product Applications of UH Series With Thermostat Horizontal Fan Forced Unit Heater

Recommended for all industrial, commercial, and residential. For indoor and outdoor use.

## Warranties of UH Series With Thermostat Horizontal Fan Forced Unit Heater

Manufacturer's Limited Warranty: 1 Year.
